Exhibitor Set-Up - OCEAN A-D PRE-FUNCTION

8:00 PM 9:00 PM

Welcome Reception – Registered Attendees Only – THE LOBBY BAR

Monday, April 29, 2024

8:00AM 5:00 PM

Check-In

8:00 AM 9:00 AM

Breakfast – OCEAN PRE-FUNCTION

Available to Sponsor

9:00 AM 9:15 AM

Welcome and Opening Remarks: Chairman Michael Heltzer, BASF – OCEAN ABCD

Sponsored By*

9:15 AM 10:00 AM

Opening Keynote: Harnessing AI to Create Business Value in Chemicals – OCEAN ABCD

Available to Sponsor

Keynote Session with NobleAI's CEO, Sunil Sanghavi

10:00 AM 10:15 AM

Networking Break – OCEAN PRE-FUNCTION

Available to Sponsor

Co-Sponsored By*

10:15 AM 10:50 AM

CCNJ Government Affairs Quarterly Update – OCEAN ABCD

Sponsored By*

Explore New Jersey's evolving government affairs scene at CCNJ's conference. Discover the ramifications of recent legislative changes, delve into regulatory updates, and glimpse into future trends. Gain insights into industry challenges and the strategic responses shaping its trajectory.

11:00 AM 12:00 PM

Breakout Sessions

Breakout 1

Navigating the A901 Landscape after the Dirty Dirt Law: What Environmental Practitioners, EHS Managers, and Businesses Should Know (LSRP Credit Pending)

Available to Sponsor

Delve into New Jersey's Dirty Dirt Law changes at CCNJ's conference session. Uncover compliance requirements and key licensing updates, anticipating forthcoming regulations in 2024. Gain insights into the law's origin, stakeholder process, and existing oversight mandates for solid waste and recycled materials in site remediation and construction projects.

Breakout 2

Options and Challenges with PFAS Product Certification

Sponsored By*

Explore the diverse landscape of PFAS labels and certifications in this session. Understand their implications, compliance criteria, and variations. Delve into certifications permitting minimal PFAS presence, diverse definitions of "intentionally-added" PFAS across states, and insights into existing or proposed bans on PFAS in products.

12:00 PM 1:00 PM

Lunch – OCEAN PRE-FUNCTION / OCEAN ABCD

Available to Sponsor

Co-Sponsored By*

12:30 PM 1:20 PM

Afternoon Keynote: Future of the Chemical Industry Workforce -- OCEAN ABCD

Sponsored By*

Keynote Session with the Executive Director and CEO of the American Institute of Chemical Engineers, Dr. Darlene S. Schuster, Ph.D.

Monday, April 29, 2024

1:30 PM 2:30 PM

Breakout Sessions

Breakout 3

The latest NJDEP CSRRP Updates: What You Should Know

Explore the dynamic evolution of NJDEP's Contaminated Site Remediation and Redevelopment Program (CSRRP). This panel delves into transformative regulatory changes, covering Remedial Action Permits, proposed rule amendments, licensing board rules, impactful guidance document updates, and the regulatory landscape for investigating and remediating PFAS. Gain insights from both regulator and LSRP perspectives.

Breakout 4

Sponsored By*

The Art of Compliance Tracking and How it Affects Future Permitting

Learn the nuances of implementing robust compliance tracking for chemical manufacturing. This session explores the art of compliance tracking, emphasizing its role in evaluating future permitting projects. The presentation examines essential components of an effective compliance tracking tool, showcasing how it can serve as a strategic business case for stakeholders in future project planning.

2:35 PM 3:35 PM

Breakout Sessions

Breakout 5

Sponsored By*

Green and Sustainable Remediation - Risk or Opportunity?

Explore sustainable remediation practices with a focus on New Jersey's Green, Sustainable, and Resilient Remediation (GSR) guidance. Delve into the impact of GSR techniques on site remediation, state agency incentives for sustainable practices, and proactive GSR implementation risks and rewards. Navigate legal, technical, and practical challenges through case studies and best practices for effective project communication.

Breakout 6

[Available to Sponsor](#)

Do you know PAM? Everything You Wanted to Know about the NJDEP's New Perimeter Air Monitoring (PAM) Requirements

This experienced panel will provide an overview of the finalized Perimeter Air Monitoring Guidance Document, released in December 2023. Understand key considerations for the regulated community and learn how to meet the specified technical requirements outlined in the guidance for effective implementation.

3:35 PM 4:00 PM

Networking Break - OCEAN PRE-FUNCTION

9:00 AM 10:00 AM

Investing In Innovation

[Available to Sponsor](#)

Join Tech Council Ventures and learn how CCNJ member companies empower their venture capital investment teams to collaborate with and support groundbreaking start-ups that will impact our future and industry. This session will provide invaluable insights into strategic investment practices.

10:00 AM 11:00 AM

Redefining Recycling: Innovations in Molecular Recycling and Compliance

Sponsored By*

EASTMAN

Explore waste management and recycling with Eastman, Consumer Brands Association, and ACC, emphasizing molecular recycling's role in achieving post-consumer recycling goals. Delve into evolving Extended Producer Responsibility (EPR) and PCR regulations, with a focus on New Jersey. Gain insights into brand perspectives and compliance tools, fostering collaboration for circular economy advancement.

11:00 AM 12:00 PM

Challenges in Chemical Product Stewardship and Emerging Chemicals of Concern

Sponsored By*

Dive into Emerging Chemicals of Concern (COCs) like PFAS with our panel, offering insights into evolving regulations. Evaluate the growing burden on chemical companies and supply chain partners. Our experts provide a thorough review and analysis of regulations targeting COCs such as PFAS, phthalates, and 1,4 Dioxane. Explore the impact on plastics, including the TSCA PFAS Data Reporting Rule, various state-level PFAS regulations, and New Jersey packaging and recycling regulations.
