

# Coronavirus (COVID-19)

## Information

### Update 26: April 28, 2020

Good afternoon,

Today, Governor Murphy [announced the members of the Governor's Restart and Recovery Commission \(GRRC\) with the following goals:](#)

- Advise on issues of public health, workforce development & transportation;
- Seek ways to maximize future federal support;
- Review potential long-term investments; and
- Ensure restart and recovery works for every family.

As reported yesterday, the GRRC will be co-chaired by Dr. Shirly Tilghman, President Emerita of Princeton University and current Professor of Molecular Biology & Public Policy, and Kenneth Frazier, Chairman and Chief Executive Officer of Merck & Co., Inc. (a CCNJ member company).

The other members of this high-level commission include:

- Dr. Ben Bernanke, Distinguished Fellow in Residence at the Brookings Institution and Former Chairman of the Board of Governors of the Federal Reserve System;
- Dr. Richard Besser - President and CEO of the Robert Wood Johnson Foundation and former Acting Director for the Centers for Disease Control and Prevention (CDC);
- Evelyn McGee Colbert - Founding Board Member and President of the Board of Montclair Film and Vice President of Spartina Productions;
- Tony Coscia - Chairman of the Board of Directors of the National Railroad Passenger Corporation (Amtrak), Partner and Executive Committee member of Windels Marx Lane & Mittendorf, LLP law firm and Chairman of Suez North America Inc.;
- Jessica Gonzalez - Founder & Chief Executive Officer of InCharged, VendX, and Lux-UVC;
- Dr. Jonathan Holloway - Incoming President of Rutgers University and former Provost of Northwestern University;
- Lisa P. Jackson - Vice President of Environment, Policy and Social Initiatives at Apple Inc., former Administrator of the U.S. Environmental Protection Agency, and former Commissioner of the New Jersey Department of Environmental Protection;
- Jeh Johnson - Former U.S. Secretary of Homeland Security and Partner at the law firm Paul, Weiss, Rifkind, Wharton & Garrison, LLP;
- Charles Lowrey - Chairman and Chief Executive Officer of Prudential Financial, Inc.;
- Denise Morrison - Founder of Denise Morrison & Associates, LLC and a Senior Advisor for PSP Partners. Former President and Chief Executive Officer of The Campbell Soup Company;

- Dr. William Rodgers - Professor of Public Policy and Chief Economist at the Heldrich Center for Workforce Development at Rutgers University. Former Chief Economist at the U.S. Department of Labor;
  - Neera Tanden - President and CEO of the Center for American Progress and the CEO of the Center for American Progress Action Fund;
  - Reverend Dr. Regena Thomas - Director of the Human Rights and Community Relations Department of the American Federation of Teachers (AFT) and former New Jersey Secretary of State;
  - Richard Trumka - President of the AFL-CIO;
  - Lieutenant Governor Sheila Oliver\* - Lt. Governor, State of New Jersey;
  - George Helmy\* - Chief of Staff, Office of Governor Phil Murphy;
  - Judith Persichilli\* - New Jersey Department of Health Commissioner;
  - Matt Platkin\* - Chief Counsel, Office of Governor Phil Murphy; and
  - Kathleen Frangione\* - Chief Policy Advisor, Office of Governor Phil Murphy.
- \*Ex Officio**

There was no mention today about the advisory group, nor did the governor provide more information beyond what was shared above. We will keep you posted should an advisory group with representation from industry sectors is created.

### **GOVERNOR MURPHY SIGNS EXECUTIVE ORDER ALLOWING MUNICIPALITIES TO EXTEND GRACE PERIOD FOR MAY 1ST PROPERTY TAX PAYMENTS UNTIL JUNE**

**1<sup>ST</sup>**

Governor Murphy today signed [Executive Order No. 130](#), which allows municipalities to extend the grace period for property tax payments due on May 1st to June 1st. Such an extension would provide much-needed relief to homeowners struggling financially as a result of the COVID-19 pandemic.

### **NJDEP COMPLIANCE ALERT**

Please note that the following item was posted on [DEP's COVID-19 Regulatory Compliance website](#) on April 27, 2020:

Compliance Advisory re: Extensions for Certain Monitoring and Submittal Requirements for Air Quality Permits

- <https://www.nj.gov/dep/enforcement/advisories/2020-09.pdf>
- DEP is extending the grace period for submission of certain state-only monitoring and submittal deadlines set forth in individual Title V Operating Permits, Preconstruction Permits, or General Permits.
  - The deadlines that are extended 90 days after the due dates set forth in the individual Air Permits include, but may not be limited to, submittals of Excess Emissions and Monitoring Systems Performance Report/Excess Emission Report, Annual Combustion Adjustment (ACA), Semi-Annual Deviation Reports and performance of ACA. Also, DEP is allowing performance of Cylinder Gas Audits in lieu of Relative Accuracy Test Audits.
  - Please note that this extension does not apply to submittal of Annual Emission Statements, though the deadline for the 2019 report was previously extended to June 15, 2020.

- With this Compliance Advisory, DEP also shared a link to a survey if anyone is interested in submitting feedback: <https://www.nj.gov/dep/enforcement/survey.html>.

### **CDC ADDS 6 COVID-19 SYMPTOMS**

People with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness.

Symptoms may appear 2-14 days after exposure to the virus. People with these symptoms or combinations of symptoms may have COVID-19:

- Cough
- Shortness of breath or difficulty breathing

*Or at least two of these symptoms:*

- Fever
- Chills
- Repeated shaking with chills
- Muscle pain
- Headache
- Sore throat
- New loss of taste or smell

[Visit the CDC for more information.](#)

### **“STAY AT HOME” EXECUTIVE ORDER 107 & 122 (Requiring Face Coverings, Gloves, and Social Distancing & Disinfecting Protocols) STILL IN PLACE**

**The “Stay at Home” [Executive Order No. 107](#) remains in full effect with additional requirements as stated in [EO 122](#).**

Regarding [Executive Order 122](#), which requires employers to provide face coverings and gloves to employees who are still reporting to the workplace, and not working from home, members are expected to comply with the spirit of this EO. New Jersey’s main concern was front of house workers (employees at stores for example).

The state is fully aware that some manufacturing processes may prevent masks and/or gloves to be used. CCNJ recommends member companies to document the reason as to why they cannot be used in certain processes, and to implement a protocol to wipe down or disinfect areas.

While there is no proactive enforcement of the EO, employees can [report any violations](#) in regard to the EO’s by an employer via [NJ’s COVID-19 portal](#). That is why we stress that member companies communicate directly to employees on how they are complying with the EO and providing a safe work environment, and in cases where a mask or glove is not provided make sure employees are aware of the reason, and given proper guidance on hygiene protocols.

Companies must continue to make sure they are providing the face coverings (and gloves), and that the employees entering the workplace have them. But when they are alone in an office with no one else, there is no requirement to wear the mask. However, some companies have instituted policies requiring employees to wear face coverings 100% of the time while

on site. CCNJ expects that these requirements will continue even when NJ begins the process of reopening.

Employees reporting to work are permitted to travel to and from their place of business. Businesses are encouraged to give each employee a letter indicating that the employee works in an industry permitted to continue operations, and their shift. Essential employees should have the company letter, and company ID accessible while driving to and from work, so they can present it with their license if necessary. We suggest the [DHS Guidance to help with the letter](#).

Below you will find new information **highlighted in blue** added since the last update. As well, take some time and explore the many links and information provided below and in previous updates. The state's main COVID-19 information portal is located at <https://covid19.nj.gov/>.

[To access previous updates click here.](#)

**Have general questions about COVID-19?**

**The NJ Poison Control Center and 211 have partnered with the State to provide information to the public on COVID-19:**

**Call: [2-1-1](#)**

**Call (24/7): [1-800-962-1253](tel:1-800-962-1253)**

**Text: NJCOVID to 898-211**

**Visit <https://covid19.nj.gov/> or [nj.gov/health](https://nj.gov/health) for additional information**

**In support of ongoing COVID-19 efforts, the State Emergency Operations Center has made available an ESF 7 Remote Access Line for private sector inquiries. ESF 7 Remote Access Line: 609-963-6817. For response and resource related requests, OHSP encourages you to work with your local first responder agencies, or your County Office of Emergency Management. [Click here to access the NJOEM County Coordinators directory](#) to find contact information for the local county OEM where your facility is located.**

### [TRANSCRIPT: April 27th, 2020 Coronavirus Briefing Media](#)

Sadly, with the heaviest of hearts, we report an additional 106 lives lost, meaning that we have now lost a total of 6,044 blessed brothers and sisters of the New Jersey family to COVID-19 related complications. In our healthcare system, as of last night's reporting, there were 6,407 patients hospitalized for COVID-19. That number has, as you can see, begun to trend downward and that's a good thing. Our field medical stations reported 75 patients. There were 1,801 patients in either critical or intensive care. And again, this number is down roughly 9% from where it was last Monday. That number needs to continue to go down. Ventilator use continues to trend downward to 1,303 currently in use. This is down about 18% from a week ago. There were 314 new hospitalizations yesterday and the trend line continues to point in the right direction. And for the 24 hours preceding 10:00 p.m. last evening, our hospitals reported 480 discharges. We continue to see discharges exceed new admissions and we need to keep it that way.

## **OSHA & Labor**

### [Discretion in Enforcement when Considering an Employer's Good Faith Efforts During the Coronavirus Disease 2019 \(COVID-19\) Pandemic](#)

In light of the coronavirus disease 2019 (COVID-19) pandemic, OSHA understands that some employers may face difficulties complying with OSHA standards due to the ongoing health emergency. Widespread business closures, restrictions on travel, limitations on group sizes, facility visitor prohibitions, and stay-at-home or shelter-in-place requirements may limit the availability of employees, consultants, or contractors who normally provide training, auditing, equipment inspections, testing, and other essential safety and industrial hygiene services. Business closures and other restrictions and limitations may also preclude employee participation in training even when trainers are available. In other situations, access to medical testing facilities may be limited or suspended.

#### [New Jersey Department of Health COVID-19: A Guide for Businesses March 2, 2020](#)

Many employers and businesses in New Jersey are concerned about the current outbreak of the 2019 Novel Coronavirus (COVID-19) and potential impacts to their business communities and wish to take appropriate steps to mitigate any risks. The Centers for Disease Control and Prevention (CDC) is working hard to learn as much as possible about this COVID-19 so that we can better understand how it spreads and characterize its associated illness. The New Jersey Department of Health is also working hard to develop guidance and education materials, in the face of evolving information.
